Luminaries around the Square, a beautiful holiday treat.

On Friday evening, December 4, 2009, a ceremony lighting the Square with luminaries (candles in white bags) will take place. This striking event will occur at dusk around 6pm.

You may dedicate a luminary to honor a friend or a loved one, or to the memory of a friend or a loved one. Perhaps your student made the honor roll or your student-athlete completed a great season. Maybe dad caught that big fish or mom was elected to the board of the parent-teachers organization. Honor them by dedicating a luminary.

Or, on a more serious note, perhaps you recently lost a loved one or you want to remember a long lost friend. Dedicate a luminary to their memory. A donation of \$10 to the Kiwanis, for the benefit of local charities, will allow you to dedicate a luminary. A donation of \$25 or more will allow you to dedicate a gold bag.

There will be a lighting ceremony about 6:15 pm outside the Welcome Center. Each dedication, along with the donor's name, will be read as the luminary is lighted. You may fill out "The Reason" line and that, too, will be read. (An example of "The Reason" is "being elected to the student council".) You may light your luminary, if you wish.

Presented by the Kiwanis of Lumpkin County and the Key Club of Lumpkin County High School.
